**“Health Briefs: Hydro-Clinic”
February 2014 Issue**

Hydro-clinic (hydro-clinic.com) is now open at 3872 Roswell Road, A-3 in Buckhead. Hydro-clinic offers hydration therapy to provide immediate relief from fatigue, overexertion, hangovers, jet lag, flu, flu-like symptoms and dehydration. The minimally-invasive, pain-free procedures intravenously deliver fluids, medications and vitamins directly into the bloodstream. The IV fluid treatments are based on each patient's specific symptoms and administered by experienced, board-certified medical personnel in a comfortable, sterile, upscale, spa-like atmosphere.
